

LE Phillips Career Development Center has an exciting opportunity in our upholstery department. We have a full service upholstery department where we train individuals in the art of reupholstery – both commercial and private party. We are looking for an enthusiastic individual who will assist in training and team development. Qualified individuals will learn all aspects of field of upholstery, be excited about working with our clients and look for ways to help grow our upholstery business. This position will report to our Upholstery Team Lead.

Responsibilities include but are not limited to repairing or replacing upholstery, repairing furniture frames, using small hand tools, and maintaining records for completion times.

LE Phillips Career Development Center is a non-profit corporation committed to providing employment opportunities for individuals with disabilities or disadvantages. Our goal is to enrich the lives of our employees through training and development.

The position requires the ability to maintain a high level of productivity for an 8-hour shift and the manual dexterity to operate any necessary equipment. Interested applicants must have excellent communication skills, be able to work cooperatively with others and have some experience working with individuals with disabilities. Customer service experience is a plus.

To be considered for the position applicants can apply online at [www.lecdc.com](http://www.lecdc.com) under the 'Contact Us' tab or can send a resume and letter of interest to:
