**L.E. PHILLIPS CAREER DEVELOPMENT CENTER 28<sup>TH</sup> ANNUAL CHARITY GOLF OUTING  
ON AUGUST 4, 2017 TO HELP INDIVIDUALS WITH DISABILITIES**

EAU CLAIRE, WI., June 7, 2017- The L.E. Phillips Career Development Center will be hosting their 28<sup>th</sup> Annual Charity Golf Outing at Mill Run Golf Course on August 4, 2017. CDC hosts its annual golf outing to raise money and help provide individuals with special needs or disabilities the jobs and skills training that will help them succeed. CDC's mission is to provide vocational services and employment opportunities for individuals with disabilities or disadvantages. These individuals work in one or more of the ten manufacturing departments to learn job skills. This event is the only fundraiser of the year for CDC, so please come out to help make a difference.

There are tee times available for up to 350 golfers. There will also be games, prizes, bucket raffles, a silent auction, food, drinks and much more!

CDC offers several different sponsorship levels that allow companies or individuals to participate. Sponsorships range from one to sixteen golfers. There also is a VIP package where golfers play 18 holes at Wild Ridge Golf Course. Sponsors with two golfers or more will have on-course advertisement with their logo on a wood furnished sign and be thanked on CDC's flyers, social media and posted on a 4'x8' sponsor banner displayed where event attendees walk in to Mill Run. These banners are posted and kept in the CDC lobby area for two years.

Everyone always loves winning money, so CDC has a Big Ticket raffle drawing with the grand prize being \$5,000! There are more than \$9,000 in cash prizes that will be given out to 15 winners. There are also two early bird drawings of \$500 each. Only 250 tickets are being sold, which means each entree has a 6% chance of winning! Participants do not need to be present to win.

Each golfer receives a gift that will be manufactured in CDC's wood shop, print shop and upholstery department, but will remain a surprise until the golf outing!

To participate in the golf outing, learn more about CDC or stop in for a tour, contact the L.E. Phillips Career Development Center at 715-834-2771.
